# Trip Overview

- It is an honor to represent our school, city, state, and nation in another nation's holiday.
  - It is an experience of a lifetime for our students.
  - This will be our second appearance in the parade (first was in 2018).
  - We want every student to share in this experience, but the trip is optional.
  - There are many opportunities to fundraise for this trip.
  - As an organization, we will do all we can to see that all Legacy Band students have this experience.
-

# Itinerary

- The trip will take place March 13-20, 2025.
  - A couple of performance opportunities, including the parade.
  - Sightseeing on both sides of the island.
  - An important part of this trip is interacting with a unique culture and meeting new people.
  - We may be able to spend time with Horizon HS.
  - The itinerary is TBD, as we will not be able to finalize our plans until hotel rooms have been reserved.
  - Link to travel video [here](#)
  - Link to tentative itinerary [here](#)
-

# Pricing

- The trip cost is estimated to be \$3,995 per student (not including insurance and spending money)
  - We will be offering a chaperone and a follower package.
  - We feel that this is the best estimate as of today's date.
  - Costs are variable, but will become clearer as we get closer to the trip.
  - Airline and hotel reservations will be made once the number of participants has been established.
  - In addition to offering a variety of fundraising opportunities for families, we are working on ways we can provide financial assistance for those who need it.
  - Link to estimated cost proposal [here](#)
-

# Travel Insurance

- Adams 12 School District requires travel insurance for international travel.
  - We strongly recommend the Cancel for Any Reason policy. There are too many unforeseen reasons not to have this.
  - This insurance is available through AdvantEdge Tours.
-

# Payment

- First payment due February 9, 2024
  - Payments will be made by the 9th of every month.
  - Payment schedule available through AdvantEdge Tours.
  - Reach out to Dr. Ebert for information on financial assistance.
-

# Fundraising

- It is entirely possible to raise a majority of your trip fees through fundraising.
  - We offer many throughout the year. As a matter of fact, an online donation fundraiser begins next week.
  - Make sure you are signed up in Charms so that you can stay informed about our events.
  - Reach out to us if you have any ideas for fundraisers, or if you would like to volunteer for one of our events.
-

# Student Registration

- Students need to register first for this trip. Once they are registered, then followers and chaperones can sign up.
  - Students **MUST REGISTER** for the trip by February 23, 2024.
  - After this date the registration will open up to followers.
-

# Followers and Chaperones

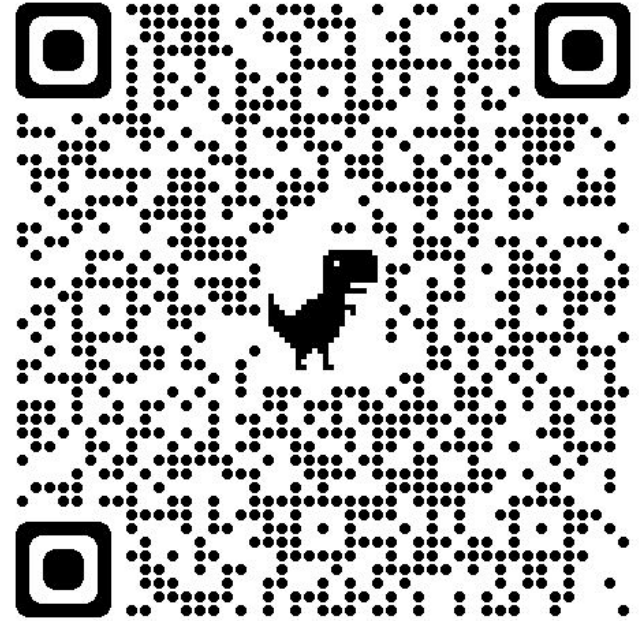

- AdvantEdge Tours is working on chaperone and follower packages.
  - Dr. Ebert will coordinate chaperone requests with the Chaperone Chair. Chaperones may still sign up but they will need to be cleared to serve as chaperone.
  - Chaperones must sign up by February 23, 2024, same as the student deadline. Once students and chaperones are registered, the registration will open to followers.
  - According to AdvantEdge, they will provide a "sketch/tentative" itinerary.
  - It is important to understand that this itinerary is very tentative because flights, hotels and performance events cannot be finalized at this time.
  - A more detailed final itinerary will not be available until the fall when all the performance/event details will be received.
  - Flights and hotels will be booked later in the spring as we confirm travel arrangements.
-

# Due Dates

- February 9, 2024 First Payment DUE
  - February 23, 2024 Student Registration Deadline
