

## **An Introduction to the Legacy High School Band Booster Board from Booster Board President James Harper**

It is my great pleasure to serve as President of the Legacy High School Lightning Band Booster Board and let me add my "Welcome" to you and your band student. Your student is now a part of a world-class music education organization, staffed with amazing talented music instructors, focused on improving music performance and the pursuit of musical excellence. And, you are now a part of the Lightning Band Boosters - a group of band parents dedicated to making the visions and goals of Director of Bands Dr. Brian Ebert and Assistant Director of Bands Mr. Tafoya a reality.

Thank you for all you are already doing in support of your child - your encouragement and support of what they've been doing at the middle school level and what they are about to do with the Lightning Band program are a key part of the journey. I encourage you to jump in and help in any and all ways you are able and for which you have the time. We have volunteer opportunities as minimal as an hour here or there, so if there is anything about which you are passionate or for which you have a skill, we would love to have your help. It is a very rewarding experience working alongside such a talented and dedicated Band Staff and seeing what a community effort can really result in.

Your student is in for such a rewarding, learning, growing experience. While the Legacy High School band program certainly instills a life-long appreciation of music and an opportunity to improve individual musical skill, it also provides life skills that will stay with your student forever.

I would encourage you to stay tuned in to what's happening by:

- 1) Making sure you have a Charms account for updates by email,
- 2) Joining one of the Facebook groups, and
- 3) Checking in on the band website at [legacybands.org](http://legacybands.org) regularly - particularly the Calendar page there which Dr. Ebert updates on a weekly basis.

You are also welcome to attend any of our Band Booster Board meetings to hear about the business workings of our organization. All Booster Board meetings are on the website calendar.

I look forward to meeting and working alongside you this school year.

*James Harper, President*
