

An Introduction to the Legacy High School Band Booster Board from your Booster Board President

It is my great pleasure to serve as President of the Legacy High School Lightning Band Booster Board, and I would like to extend a warm welcome to you and your band student.

Your student is now part of a world-class music education organization, led by exceptionally talented instructors who are dedicated to musical excellence and continuous growth. As a parent, you are also now part of the Lightning Band Boosters—a community of families committed to supporting the vision and goals of Director of Bands Dr. Brian Ebert and Assistant Director of Bands Mr. Tafoya.

Thank you for the support you have already given your student. Your encouragement—both in their middle school experience and as they begin their journey with the Lightning Band—is an essential part of their success.

We invite you to get involved in any way that fits your schedule and interests. Whether you can volunteer an hour here or there or contribute a specific skill, your participation is invaluable. Working alongside our dedicated band staff and fellow parents is incredibly rewarding, and it truly demonstrates the impact of a strong community.

Your student is about to embark on an exciting and enriching experience. In addition to developing musical skills and a lifelong appreciation for music, they will gain important life skills that will stay with them well beyond high school.

To stay informed and connected, we encourage you to:

- 1) Make sure your Cut Time account is set up,
- 2) Join one of the Facebook groups, and
- 3) Check in on the band website at legacybands.org regularly - especially the Calendar page which Dr. Ebert updates on a weekly basis.

You are always welcome to attend Booster Board meetings to learn more about how we support the program. Meeting dates and details are available on the website calendar.

I look forward to meeting you and working together to support our students during the upcoming school year.
